### **Policy For Accepting Waste Asphalt**

**As a courtesy to our customers we will accept asphalt dig outs and other waste asphalt materials. However, there are strict guidelines for taking advantage of this privilege:**

- 1. Waste asphalt (hot mix, pavement, etc.) will be accepted from TCHP customers only.**
- 2. Waste asphalt must be free of all other waste. Asphalt containing soil, grass, wood, trash, concrete or other waste material will not be accepted.**
- 3. Each load must be inspected prior to being dumped. Please check in at the scale house.**
- 4. Waste asphalt will be inspected by Mike Novak, Carl Morgan, Kevin Debiew or Warner Hodgdon. Each one has the authority to accept or reject a load.**

**This policy will be strictly adhered to.**
